JOURNAL OF DENTAL MEDICINE

Volume 17 — Numbers 1-4 — Pages 1-186

ANNUAL INDEX 1962

ADAMS, R. J., et al, Antarctic Stress and Vitamin Requirements. Jan. p. 36

AMERICAN ACADEMY OF DENTAL MEDICINE
All Day Scientific Symposium on "Ultrasonics" and "Nutrition"—Jan. p. 22
American Board of Oral Medicine—Jan. p. 23
Annual Convention, 1962—Oct. p. 161
Committee of International Interchange—Jan. p. 25—July p. 116
Dento-Medical Relations Committee—July p. 114
In Memorium: E. Alan Lieban, D.D.S.—April p. 72; Hermann Becks, M.D., D.D.S. Oct. p. 141
Mid-Annual Meeting, July p. 120—Oct. p. 166
New Members Elected at Business Meeting, May 14, 1962—July p. 112
President's Address, Gunter Schmidt—Oct. p. 160
Retiring President's Message, Oct. p. 158

ASCORBIC ACID
Intradermal Ascorbic Acid Test: Part V, Physiologic Range. Cheraskin, E., Ringsdorf, W. M. April p. 76

BACTERIOLOGY
A New and Simple Officer Culture Procedure For Establishing the Presence of Monilia Organisms in the Mouth: Pagano-Levin Medium. Cuttita, J. A., Zegarelli, E. V. et al, Jan. p. 32
The In Vitro Inhibition of Growth of Saprophytes By Whole Saliva, Lysozyme and Oral Streptococcal Isolates. — Bartels, H. A. Blechman, H., Wasserman, R. H.—April p. 85

BARTELS, HENRY, A., The In Vitro Inhibition of Growth of Saprophytes By Whole Saliva, Lysozyme and Oral Streptococcal Isolates. April p. 85

BECKS, HERMANN, The Dentist's Part In Dental Medicine. Jan. p. 3

BLECHMAN, HARRY, The In Vitro Inhibition of Growth of Saprophytes By Whole Saliva, Lysozyme and Oral Streptococcal Isolates. April p. 85

BOOK REVIEWS
Cohen, M. Michael, "Pediatric Dentistry". Oct. p. 178
Monheim, Leonard M., "Local Anesthesia and Pain Control in Dental Practice". Oct. p. 178

CHERASKIN, E., Ringsdorf, W. M., Intradermal Ascorbic Acid Test: Part V. Physiologic Range. April p. 76

CLARK, JAMES W., Systemic Factors In Abnormal Tooth Mobility. Jan. p. 16

COHEN, M. MICHAEL, Factors in Dentofacial Development. July p. 99

CUTTITA, JOSEPH A. et al, A New and Simple Office Culture Procedure For Establishing The Presence of Monilia Organisms in the Mouth: Pagano-Levin Medium. Jan. p. 32

DENTAL MEDICINE
Comparative Analysis of Saliva in Pregnant and Non-Pregnant Women—II. Total Nitrogen. Rosenthal, S. L. et al, April p. 63
The Dentist's Part in Dental Medicine. Becks, Hermann. Jan. p. 3

DIABETES
Diabetic Vascular Disease, Gordon, E. S. Jan. p. 14

DIAGNOSIS
Intradermal Ascorbic Acid Test: Part V. Physiologic Range. Cheraskin, E., Ringsdorf, W. M. April p. 76
White Lesions of the Oral Mucosa, Robinson, H.B.G. April p. 80

DRUGS
Clinical Evaluation of Anti-Inflammatory Enzyme Therapy in Inflammation and Pain. Toto, P. D. Jan. p. 4
Combined Use of an Antibiotic and a Corticosteroid for Postoperative Sequelae in Endodontic Practice. Stewart, G. Oct. p. 142
Iatrogenic Disorders From the Use of Drugs, Durocher, R. T., Novak, A. J. April p. 55
Movement Disorders of the Jaw and Tongue Following Prochlorperazine Therapy. Maddox, W. D., Gibilisco, J. A., Steinhilber, R. M. Jan. p. 10
The Practitioner and New Drugs, Schiffrin, M. J. Jan. p. 27

DUROCHER, ROY T., Iatrogenic Disorders From the Use of Drugs, Novak, A. J. April p. 55

ENDODONTICS
Combined Use of an Antibiotic and a Corticosteroid For Postoperative Sequelae in Endodontic Practice, Stewart, G. Oct. p. 142

ENZYMES
Clinical Evaluation of Anti-Inflammatory Enzyme Therapy in Inflammation and Pain, Toto, P. D. Jan. p. 4

GIBILISCO, JOSEPH, A. et al, Movement Disorders of the Jaw and Tongue Following Prochloroperazine Therapy, Maddox, W. D., Steinhilber, R. M. Jan. p. 10

GORDON, EDGAR S., Diabetic Vascular Disease. Jan. p. 14

HARDING, RICHARD S. et al, Antarctic Stress and Vitamin Requirements. Jan. p. 36

HEALING
The Healing of an Experimentally Induced Wound in Female Rats. Stahl, S. S. April p. 68

HURLEY, BARTON et al, Comparative Analysis of Saliva in Pregnant and Non-Pregnant Women II. Total Nitrogen. April p. 63

IATROGENIC DISEASE
Iatrogenic Disorders From the Use of Drugs. Durocher, R. T., Novak, A. J. April p. 55

INFLAMMATION
Inflammation, Trauma and Tumors Causative of Orofacial Deformities. Lederer, F. L. July p. 105
Clinical Evaluation of Anti-Inflammatory Enzyme Therapy in Inflammation and Pain. Toto, P. D. Jan. p. 4

INTERLINGUA
Analyse Comparative De Saliva in Feminas Pregnante E Non-Pregnante II. Nitrogeno Total. April p. 67
Diabetic Morbo Vascular. Jan. p. 15
Disordines Iatrogene Ab Le Uso De Drogas. April p. 62
Disordines Motori In Mandibula E Lingua Post Iherapia A Prochlorperazine. Jan. p. 13
Evaluation Clinic Del Therapia a Enzymas Anti-Inflammatori In Casos De Inflammation Con Dolor. Jan. p. 9
Factores In Le Disveloppamento Dentofacial. July p. 104
Factores Systemic In Abnormal Mobilitate De Dente. Jan. p. 21
Inflammation, Trauma, E Tumores—Causa De Deformitates Oro-Facial. July p. 112
Intradermic Test Pro Acido Ascorbic Parte V. Valores Limite Physiologic. April p. 79
Le "Ferula Myotatic": Un Nove Concepto In Le Tractamento De Morbo Periodontal, De Disturbationes Del Articulation Temporomandibular, E De Associate Syndromes. Oct. p. 176
Le Guarition De Vulneres, Specialmente De Illos In Le Cavitate Oral. Oct. p. 157
Le Inhibition in Vitro Del Crescentia De Saphrophytos Per Saliva Integre, Lysozyma, E Isolates Ab Streptococcos Oral. April p. 90
Le Physiologia Del Convalescentia Post-Chirurgic Oral. July p. 128
Le Practicante E Nove Drogas. Jan. p. 31
Le Pulpa E Le Dentisteria Chirurgic. July p. 133
Le Resanation De Experimentalmente Inducite Vulneres in Rattos Feminin. April p. 70
Lesiones Blanc Del Mucosa Oral. April p. 84
Le Uso De Un Combination De Antibiotico Con Corticosteroide nI Le Tractamento De Sequellas Post-Operatori In Le Practica Endodontic. Oct. p. 147
Stress In Le Antarctica E Requirementos De Vitamina. Jan. p. 42
Un Indice Occlusional: Reporto Preliminari. Oct. p. 151
Un Nove E Simple Techica, Al Uso In Le Laboratorio Private, Pro Establir De Organismos Monilial In Le Bucca; Le Medio De Pagano-Levin. Jan. p. 35

KAPSIMALIS, PETER, et al, Comparative Analysis of Saliva in Pregnant and Non-Pregnant Women II. Total Nitrogen. April p. 63

LEDERER, FRANCIS L., Inflammation, Trauma and Tumors Causative of Oro-Facial Deformities. July p. 105
LEFKOWITZ, WILLIAM, The Pulp and Operative Dentistry. July p. 129
LYONS, DON C., The Physiology of Oral Surgical Convalescence. July p. 121

MADDOX, WALTER D. et al, Movement Disorders of the Jaw and Tongue Following Prochlorperazine Therapy. Jan. p. 10
MANHOLD, J. H., An Occlusal Index: Preliminary Report. Oct. p. 148
MOBILITY, TOOTH
Systemic Factors In Abnormal Tooth Mobility. Clark, J. W. Jan. p. 16

NOVAK, ALTON J., Iatrogenic Disorders From the Use of Drugs. Durocher, R. T. April p. 55

NUTRITION
Antarctic Stress and Vitamin Requirements. Adams, R. J., Stanmeyer, W. R., Harding, R. S. Jan. p. 36

OCCLUSION
An Occlusal Index: Preliminary Report. Volpe, A. R., Manhold, J. H., Parker, L. A. Oct. p. 148
ODENHEIMER, KURT J., A Myotatic Splint: A New Concept in the Treatment of Periodontal Disease, Temporomandibular Joint Disturbances and Associated Syndromes. Oct. p. 168

OPERATIVE DENTISTRY
The Pulp and Operative Dentistry. Lefkowitz, W. July p. 129

ORAL MEDICINE
Factors In Dentofacial Development. Cohen, M. Michael. July p. 99
Inflammation, Trauma and Tumors Causative of Oro-Facial Deformities. Lederer, F. L. July p. 105
The Physiology of Oral Surgical Convalescence. Lyons, D. C. July p. 121
The Myotatic Splint: A New Concept in the Treatment of Periodontal Disease, Temporomandibular Joint Disturbances and Associated Syndromes. Obenheimer, K. J. Oct. p. 168
The Healing of Wounds, Especially Those of the Oral Cacity. Robinson, H.B.G. Oct. p. 152.
White Lesions of the Oral Mucosa. Robinson, Hamilton B. G. April p. 80

PARKER, L. A., et al, An Occlusal Index. Preliminary Report. Oct. p. 148

PERIODONTAL DISEASE
The Myotatic Splint: A New Concept in the Treatment of Periodontal Disease, Temporomandibular Joint Disturbances, and Associated Syndromes. Odenheimer, K. J. Oct. p. 168

PHYSIOLOGY
Factors In Dentofacial Development. Cohen M. Michael. July p. 99
The Healing of an Experimentally Induced Wound in Female Rats. Stahl, S. S. April p. 68
The Healing of Wounds, Especially Those of the Oral Cavity. Robinson, H. B. G. Oct. p 152
The Physiology of Oral Surgical Convalescence. Lyons, D. C. July p. 121

PREGNANCY
Comparative Analysis of Saliva in Pregnant and Non-Pregnant Women II. Total Protein. Rosenthal, S. L. et al. April p. 63

PULP
The Pulp and Operative Dentistry. Lefkowitz, W. July p. 129

RINGSDORF, W. M., JR., Intradermal Ascrobic Acid Test: Part V. Physiologic Range. April p. 76
ROBINSON, HAMILTON, B. G., White lesions of the Oral Mucosa. April p. 80
The Healing of Wounds Especially Those of the Oral Cavity. Oct. p. 152
ROSENTHAL, S. L. et al, Comparative Analysis of Saliva in Pregnant and Non-Pregnant Women II. Total Nitrogen. April p. 63

ROWEN, ROBERT, et al, Comparative Analysis of Saliva in Pregnant and Non-Pregnant Women II. Total Nitrogen. April p. 63

SALIVA
The In Vitro Inhibition of Growth of Saphophytes By Whole Saliva, Lysozyme and Oral Streptococcal Isolates. Bartels, H. A., Blechman, H., Wasserman, R. H. April p. 85
SCHIFFRIN, MILTON, J., The Practitioner and New Drugs. Jan. p. 27
SCHMIDT, GUNTHER, President's Address. Oct. p. 60
STAHL, S. S., The Healing of an Experimentally Induced Wound in Female Rats. April p. 68
STANMEYER, W. R. et al, Antarctic Stress and Vitamin Requirements. Jan. p. 36
STEINHILBER, RICHARD M. et al, Movement Disorders of the Jaw and Tongue Following Prochlorperazine Therapy. Jan. p. 10
STEWART, GEORGE, Combined Use of an Antibiotic and a Corticosteroid For Postoperative Sequelae in Endodontic Practice. Oct. p. 142

STRESS
Antarctic Stress and Vitamin Requirements. Adams, R. J., Stanmeyer, W. R., Harding, R. S., Jan. p. 36

SYSTEMIC DISEASE
Systemic Factors in Abnormal Tooth Mobility. Clark, J. W., Jan. p. 16
Diabetic Vascular Disease. Gordon, E. S., Jan. p. 14

TEMPOROMANDIBULAR JOINT
Movement Disorders of the Jaw and Tongue Following Prochlorperazine Therapy. Maddox, W. D., Gibilisco, J. A., Steinhilber, R.M., Jan. p. 10
The Myotatic Splint: A New Concept in the Treatment of Periodontal Disease, Temporomandibular Joint Disturbances, and Associated Syndromes. Odenheimer, K. J. Oct. p. 168

TONGUE
Movement Disorders of the Jaw and Tongue Following Prochlorperazine Therapy. Maddox, W. D., Gibilisco, J. A., Steinhilber, R. M. Jan. p. 10
TOTO, PATRICK D., Clinical Evaluation of Anti-Inflammatory Enzyme Therapy in Inflammation and Pain. Jan. p. 4

TUMORS
Inflammation, Trauma and Tumors Causative of Oro-Facial Deformities. Lederer, F. L. July p. 105
VOLPE, A. R., An Occlusal Index: Preliminary Report. Oct. p. 148
WASSERMAN, ROBERT H., The In Vitro Inhibition of Growth of Saprophytes By Whole Saliva, Lysozyme and Oral Streptococcal Isolates. April p. 85
ZEGARELLI, EDWARD V. et al, A new and Simple Office Culture Procedure For Establishing the Presence of Monilia Organisms in the Mouth: Pagano-Levin Medium. Jan. p. 32.
